Rules

Complete National History Day rules are available online in the [Contest Rule Book](#).

Interviews

During the interview time, students will discuss their project with judges. Students should not prepare a formal presentation for the interview. Rather, they will respond to judge questions. Questions could cover research, the process of creating the project, or a student's ideas on why their topic is important in history.

Dress Code

There is no dress code for History Day. Students should wear clothing that makes them feel confident!

Public Viewing of Projects

The public is welcome to view Documentaries and Performances as they are presented. The Exhibit hall is open for viewing during the First-Round of judging. Website interviews are open to the public, however, judges have viewed these projects in advance. Website students will respond to interview questions, rather than present their Website. No audience interruptions of student presentations or interviews, other than by judges, will be permitted.
