Source Cards: Book, Website

**Task:** Take notes on each source you use. When you are done, talk to your teacher about how to turn these notes into your annotated bibliography. You can write the citations by hand or use a website, like Easy Bib or NoodleTools. You will need several copies of this page to take notes on all of your sources.

---

**Book**

- **Author's Last Name:** _____________________________________________________________________
- **Author's First Name:** _____________________________________________________________________
- **Title of Book:** __________________________________________________________________________
- **Publisher:** _____________________________________________________________________________
- **City of Publication:** ______________________ Year: __________________
- **I read this book:** □ Online □ In Print
- **How did you use this source?**
  _______________________________________________________________________________________
  _______________________________________________________________________________________

---

**Website**

- **Author's Full Name:** _____________________________________________________________________
- **Website Title:** __________________________________________________________________________
- **Publisher/Sponsor of Website:** _____________________________________________________________________
