Resources for 2020 National History Day Projects

Published: May 29, 2019

Newseum Education offers rich online and on-site content for student projects related to the NHD 2020 theme of "Breaking Barriers in History."

When thinking about what is a barrier, the first thought that might come to mind is a wall or a fence. However, barriers can be much more than physical structures, whether man-made or natural. They can be ideological, theoretical, or even dispositional. Political, legal or legislative, social or societal. Barriers can have positive or negative consequences, or they can even serve as markers for historic milestones. We've compiled a list of examples from our resources to help you brainstorm ideas for...
