Weaving the History Day Theme

A good theme connection is more than just using the theme words. Think about the role that debate and diplomacy played before, during, and after the main events of your topic. Use this sheet to plan how you will weave these ideas throughout your entire project.

Before

What led to the main event of your topic?

What problem, issue or situation was happening before your topic, that led to debate and diplomacy?

During

Describe the main events of your topic.

How did debate and diplomacy play a part in the main events of your topics?

After

What changed because of your topic - short and long term?

How did debate and diplomacy change, or help to change history? Did this lead to more debates or problems?
