

Weaving the History Day Theme

A good theme connection is more than just using the theme words. Think about the role that **communication** played before, during, and after the main events of your topic. Use this sheet to plan how you will weave these ideas throughout your entire project.

	BEFORE	DURING	AFTER
Your Topic	What led to the main event of your topic?	Describe the main events of your topic.	What changed because of your topic - short and long term?
Communication in History	What problem, issue or situation was happening before your topic, that the communication addressed?	How did communication play a part in the main events of your topics?	How did communication change, or help to change history? Did this topic help or hurt understanding?
