PHOTO _____

I wonder...

Predict the order of the 7 photos. The oldest photo was from 1956 and the most recent photo was from 1971. Write the letter of the photo on the date you think it happened. Notice, there are **two** photos from 1964.

_____ _____ _____ _____ _____ _____ _____
1956 1959 1963 1964 1964 1968 1971

What helped you figure out dates for each picture? What information do you need in order to be sure?

FINAL THOUGHTS

Answer the following questions. When thinking about the questions, consider all the things you have learned in this lesson, what you already know, and how our world is today.

1. How do unfair things in our world get changed?

FINAL THOUGHTS

Answer the following questions. When thinking about the questions, consider all the things you have learned in this lesson, what you already know, and how our world is today.

1. How do unfair things in our world get changed?

FINAL THOUGHTS

2. Are we better off? How do you know?

3. What are some things you want to change about our world today?

FINAL THOUGHTS

1. Are we better off? How do you know?
